Jake's Property Service: 'Yeah, we do that'

Jake Warner, president of Jake's Property Services, has been growing his business since 2000.

Although the name might be new to Gahanna residents, Granville area residents know Jake's Property Services very well.

Granville is where Jake Warner and his family live.

The Granville High School graduate said the community has been a wonderful place to grow up and start a business.

Jake's Property Services has five major areas of service: landscaping, lawn care, excavation, farm services and home services.

Warner said because the company does so many things, he started using the subhead categories to better explain what services they can provide.

"Just after one year of starting my business I met my wife Sabrina and in 2002 we had our first child, Kaleigh, and then in 2005 Anna Belle came along," Warner said.

"About this time is when my daughter, Kaliagh, realized that 'J' stood for Jake, 'A' stood for Anna Belle, 'E' stood for 'elephant' and 'S' stood for Sabrina," he said.

"It wasn't long after that baby No. 3 came along and we knew 'elephant' would be Elijah," Warner said.

Jake's Property Service is a family-operated business located 254 W. Johnstown Road, Gahanna.

"I never knew when I started in high school my family would be a part of this great experience, so now J.A.K.E.S is a family business." He said.

In May 2010, Warner and his wife decided to expand and headed toward the Columbus area to find a location.

"We happened to find this amazing property on West Johnstown Road and a few phone calls later we were closing on 254 W. Johnstown Road," Warner said.

"In March of 2013 Jake's Property Services Material Yard was open for business," he said.

jakespropertyservices.com — to learn more about Jake's Property Services.

"Follow us on facebook, to see all that we are doing, and of course come to our yard to see if we have something you might need for each season," Warner said.

"Remember, here at Jake's, 'Yeah, we do that,'" he said.

"Our yard is filled with lots of mulch, firewood, boulders, topsoil and more. Our goal has always been to provide our customers with a fair price, quick response and a job well done."

Warner said he encourages people to visit the company's websites -- www.wegotthat.net and www.jakespropertyservices.com.
